## Sharing or Keeping? Pre-K Puzzles in Being Fair

Young learners solve social scenarios by choosing between sharing, rule-following, and being a kind friend to build early moral reasoning skills.

---

**1. If you find a colorful toy car on the playground that belongs to a friend, what is the kindest thing to do?**

- A. Hide it in your pocket
- B. Leave it in the dirt
- C. Give it back to your friend
- D. Throw it over the fence

**2. When we take turns on the slide so everyone gets a chance to play, we are being \_\_\_\_\_.**

- A. Fair
- B. Sad
- C. Noisy
- D. Sleepy

**3. Should you follow the classroom rule to 'use walking feet' even if no teacher is watching you?**

- A. True
- B. False
