Name: _____   Date: _____

Answer Key: Pizza Party Privacy: 1st Grade Online Safety Quest

Young learners develop the critical skill of recognizing personal 'digital secrets' to stay safe while playing games or sharing photos online.

---

1. A friendly robot in a game asks for your home address to send you a prize. What should you do?

Answer: B) Ask a grown-up for help.

> To stay safe, always check with a trusted adult before sharing personal information like where you live.

2. Your password should be easy for your friends to guess so they can help you play.

Answer: B) False

> Passwords are like secret keys; they should only be known by you and your parents to keep your account safe.

3. Items like your full name, phone number, and school name are called _____ information.

Answer: D) Private

> Private information is data that belongs only to you and should not be shared with strangers on the internet.

4. You see a picture on your tablet that makes you feel sad or scared. What is the best thing to do?

Answer: C) Tell an adult you trust right away.

> Telling a trusted adult helps you handle things that make you feel uncomfortable online.

5. When you pick a nickname for a game, you should use a _____ name that is not your real one.

Answer: A) Silly

> Using a silly or made-up screen name protects your identity from people you don't know.

6. If someone you don't know sends you a message, you should answer them to be polite.

Answer: B) False

> You should not talk to strangers online. Show the message to an adult instead.

---

7. Which of these is the safest thing to share with a new friend online?

Answer: A) Your favorite color.

General interests like colors or animals are usually safe, while numbers and locations are private.

8. Before you download a new game or app, you must always ask a _____.

Answer: B) Grown-up

Grown-ups can check if an app is safe and if it is okay for your age.

9. Everything you see on the internet is true and real.

Answer: B) False

Sometimes people post things that are not true, so it is important to check with a trusted source.

10. You want to share a photo of your new puppy online. What is the best way?

Answer: C) Show it to a parent and ask if it's okay.

Adults can make sure there is no private information hiding in the background of your pictures.
