## Answer Key: Style Secrets: 2nd Grade Singer and Screen Star Synthesis

Second graders design digital-era costumes and connect catchy choruses to cinematic characters through multi-step creative problem solving.

---

**1. If you are designing a costume for a movie character who lives in a 'Neon Future,' which combination of items would best reflect this modern trend?**

**Answer:** B) A glowing LED vest, metallic sneakers, and digital glasses

Modern pop culture trends often use technology like LEDs and metallic fabrics to represent the future and digital innovation.

**2. True or False: A 'Theme Song' is a piece of music created specifically to represent a character or a story in a movie.**

**Answer:** A) True

Theme songs are essential tools in pop culture that help the audience immediately identify a character or a film's mood.

**3. In the world of fashion, when a famous singer wears a specific style of hat and then thousands of fans start wearing it too, it is called a \_\_\_\_\_.**

**Answer:** C) Trend

A trend occurs when a particular style or behavior becomes popular and is widely followed by many people.

**4. Imagine a film about an underwater kingdom. To make the characters look trendy and modern, which sustainable material would a designer most likely use today?**

**Answer:** B) Fabric made from recycled ocean plastic

Modern trends in 'Eco-Fashion' involve using recycled materials, which connects the movie's theme to real-world environmental efforts.

**5. When a movie creator uses a very fast and loud drum beat during an action scene, they are using \_\_\_\_\_ to make the audience feel excited.**

**Answer:** B) Rhythm

**Name:** \_\_\_\_\_ **Date:** \_\_\_\_\_

Rhythm and tempo in music are specifically chosen by film editors to change how the audience feels while watching a scene.

**6. True or False: Modern pop stars often use social media to show off their new hairstyles to fans instantly.**

**Answer:** A) True

Digital technology allows trends to spread much faster than they did in the past because artists can share styles directly with fans.

**7. Which of these is a way that a 'Fashion Trend' can help a person show who they are (their identity)?**

**Answer:** A) Wearing clothes that make them feel brave, like a superhero

Fashion is a form of expression that allows individuals to reflect their personality, interests, or feelings to the world.

**8. If a brand new movie becomes popular all over the world at the same time, this is an example of \_\_\_\_\_ culture.**

**Answer:** A) Global

Global culture refers to trends, films, and music that people across many different countries enjoy and share.

**9. You are making a 'Pop Culture Time Capsule.' To show what is popular TODAY, which item would be the best choice to include?**

**Answer:** C) A colorful pair of 'athleisure' leggings and a wireless earbud

Athleisure (sporty, comfortable clothing) and wireless technology are two of the most recognizable trends of the current decade.

**10. True or False: Animated films only use music that sounds like a circus.**

**Answer:** B) False

Animated films use all types of music, including pop, rock, and classical, to stay trendy and reach different audiences.
