The Treehouse Treasury: A Heroic Pre-K Fiscal Policy Adventure

Young leaders decide how to gather colorful seeds and choose which community toys to fix in this high-stakes social choice challenge.

1. The neighborhood park needs a new swing, but the jar is empty! How should the Little Leaders gather 'Resource Seeds' from everyone to pay for it?

- A. Ask only the tall squirrels to give seeds
- B. Collect one seed from every neighbor to help
- C. Wait for the seeds to fall from the sky
- D. Keep all the seeds for themselves

2. True or False: If the 'Community Toy Box' is broken, the town leader can use the collected seeds to hire a fixer.

- A. True
- B. False

3. When the Mayor decides to spend all the seeds on a big party instead of fixing the leaky bridge, this is a choice about _____.

- A. Sleeping
- B. Budgeting
- C. Hiding
- D. Playing

4. Oh no! There are too many seeds in the village and things are getting confusing. Should the leader collect MORE seeds or FEWER seeds to help everyone slow down?

- A. Eat the seeds
- B. Collect more seeds to slow down spending
- C. Give everyone shiny rocks instead
- D. Throw the seeds in the river

5. True or False: A leader should only spend seeds on their own house and never on the school.

- A. True
- B. False

6. If the town has NO seeds but needs to build a hospital right now, they might have to _____ seeds from a neighboring town.

- A. Paint
- B. Borrow
- C. Forget
- D. Lose

Name: _____ Date: _____

7. The 'Happy Town' map shows that the bridge is broken and nobody can go to work. What is the BEST way for the leader to use the seeds?

- A. Buy a giant golden statue of a cat
- B. Pay workers to fix the bridge so shops can open
- C. Hide the seeds under a very large rug
- D. Give the seeds to the birds

8. True or False: When the leader gives seeds back to the families, the families can buy more bread, which helps the baker.

- A. True
- B. False

9. A leader who plans for the future must decide if it is better to spend seeds today or _____ them for an emergency.

- A. Burn
- B. Save
- C. Color
- D. Toss

10. If the leader chooses to spend seeds on a library instead of a swimming pool, what has happened?

- A. The leader forgot about the pool by accident
- B. The leader made a trade-off based on community needs
- C. The pool was stolen by a dragon
- D. The seeds turned into books automatically
