## Star Power: High-Fashion Movie Magic Quiz for 1st Grade

First graders synthesize design and storytelling by creating new costume ideas and predicting how movie characters influence what people wear.

---

**1. If a new movie about a royal Space Queen becomes very popular, what will likely happen to fashion in stores?**

- A. Stores will sell more shiny, metallic clothes.
- B. People will stop wearing clothes entirely.
- C. Stores will only sell muddy hiking boots.
- D. Fashion will stay exactly the same as before.

**2. Imagine you are a movie designer. To make a character look like a powerful superhero from the future, you should choose \_\_\_\_\_.**

- A. an old, dusty farm hat
- B. a glowing neon suit
- C. pajamas with teddy bears
- D. a plain brown t-shirt

**3. True or False: A movie character can start a fashion trend even if they are a cartoon character.**

- A. True
- B. False

**4. You want to start a new music trend that is 'Eco-Friendly.' Which stage costume would best show this idea to your fans?**

- A. A dress made of recycled plastic bottles
- B. A suit made of 100 new paper bags
- C. A glittery jacket that uses lots of electricity
- D. A shirt that you throw away after one use

**5. When a famous singer wears a cowboy hat in a music video, and then all the students wear cowboy hats to school, it is called a \_\_\_\_\_.**

- A. secret
- B. trend
- C. mistake
- D. rule

**6. True or False: Fashion trends only come from clothes and never from how people style their hair in movies.**

- A. True
- B. False
