

Name: \_\_\_\_\_ Date: \_\_\_\_\_

## Answer Key: Big Buttons, Tiny Hands: Pre-K Gaming Adventure Quiz

Young learners identify familiar game shapes and colors while connecting digital play to the everyday tools they see at home.

---

**1. What part of a game do you hold in your hands to make the character move?**

**Answer:** B) A game controller

A game controller is the special tool with buttons that players use to interact with video games.

**2. True or False: You can play video games on a tablet.**

**Answer:** A) True

Many people use tablets or phones to play games by touching the screen with their fingers.

**3. When you want to jump in a game, you push a \_\_\_\_.**

**Answer:** B) Button

Buttons on controllers or screens send a signal to the game to make something happen, like jumping.

**4. Which of these looks like a screen you use for gaming?**

**Answer:** A) A television

Television screens show the pictures and stories of the video games we play.

**5. In a racing game, you move your car fast to get to the \_\_\_\_ line.**

**Answer:** B) Finish

The goal of many games is to reach the 'finish line' to show you completed the task.

**6. True or False: Video games can use bright colors like red, blue, and yellow.**

**Answer:** A) True

Video games are filled with many different colors to make the world look exciting and fun.

**7. Who is the person playing the video game?**

**Answer:** B) A player

A 'player' is the word for any person who is using the controls to participate in a game.

**8. A game with blocks and building is like playing with \_\_\_ in your room.**

**Answer:** B) LEGOs

Building games use digital blocks that work just like real-life building toys.

**9. True or False: You should always take a break from gaming to play outside.**

**Answer:** A) True

Taking breaks is important for our health and helps our eyes rest after looking at screens.

**10. Which animal might you see as a character in a video game?**

**Answer:** A) A talking hedgehog

Video games often feature fun, colorful animal characters that can talk or run fast.
