Answer Key: Brave Boundary Sportsmanship Challenge for 1st Grade

Analyze tricky court dilemmas and choose the most honorable path through this high-stakes scenario-based quiz.

1. During a game of 'Duck, Duck, Goose,' the person who tagged you trips and falls. What is the BEST choice for a great sport?

Answer: B) Stop to help them up and check if they are okay.

True sportsmanship means caring about the safety and feelings of others more than winning the game.

2. If the gym teacher makes a mistake and says you are 'out' when you were really 'safe,' a great sport should yell at the teacher to change their mind.

Answer: B) False

Respecting officials means accepting their calls calmly, even if you think a mistake was made.

3. A team loses a relay race by a tiny bit. To show respect, they should look at the winning team and say, '____'!

Answer: C) Great job running fast

Congratulating opponents on their skill shows humility and respect for their hard work.

4. You are playing Tag and your hand barely brushes your friend's shirt. Your friend didn't feel it. What should you do?

Answer: B) Tell your friend you tagged them because you want to play fair.

Fair play means being honest about the rules even when nobody else saw what happened.

5. A student who is a 'good sport' is someone who only plays nicely when they are winning.

Answer: B) False

Sportsmanship is most important when things are difficult or when you are losing.

6. Imagine your friend is very nervous about kicking the ball in kickball. The most helpful thing you can do is ____.

Name: _____ **Date:** _____

Answer: B) Cheer for them and say 'You can do it!'

Encouraging others builds a positive environment where everyone feels safe to try their best.

7. Your team won the soccer game! Which action shows the best sportsmanship?

Answer: C) Shaking hands and saying 'Good game' to every player.

Winning with humility means being kind and respectful to the people you played against.

8. If someone on the other team makes a great catch, it is okay to clap for them even if they are not on your team.

Answer: A) True

Respecting opponents includes recognizing when they do something well.

9. During a jump rope contest, you realize you accidentally skipped a step that was against the rules. You should ____.

Answer: B) Tell the judge you made a mistake

Ethical behavior means being honest and taking accountability for your own actions.

10. Why is sportsmanship important in 1st Grade PE class?

Answer: A) It helps everyone have fun and feel safe while playing.

The main goal of sportsmanship is to create a positive, inclusive, and fun experience for everyone.
