Bluey's Thank You Note: Kindergarten Functional Writing Quest

Can your students express gratitude like Bluey and Bingo? This foundational activity introduces the social purpose of basic lists and personal messages.

1. If you want to tell your friend 'Thank You' for a birthday gift, what should you write?

- A. A grocery list
- B. A thank you note
- C. A math book
- D. A weather report

2. A shopping list is a type of writing that helps us remember what to buy at the store.

- A. True
- B. False

3. We draw a ___ on the front of an envelope so the mail carrier knows where it goes.

- A. Picture
- B. Sticker
- C. Address
- D. Crayon

4. You see a sign in the hallway that says 'EXIT.' What is that sign telling you?

- A. Where the toys are
- B. Where to leave the building
- C. It is time for lunch
- D. To go to sleep

5. A recipe tells us how to cook a yummy meal.

- A. True
- B. False
