## Answer Key: Uncovering Secret Revolutionary Signs Quiz for Kindergarten

Young learners identify symbols and solve community problems to understand how early Americans worked together for change.

---

**1. The colonists used a special tree called the 'Liberty Tree' to meet. Why did they meet under a tree instead of in a building?**

**Answer:** B) To keep their plans a secret from the King

Colonists met under the Liberty Tree to talk about freedom and keep their important meetings private.

**2. Paul Revere used two lanterns in a church tower to send a secret message.**

**Answer:** A) True

True! Lanterns were used as a visual signal to tell people the soldiers were coming by sea.

**3. Colonists decided to stop buying tea and painted their faces to hide their identity during the \_\_\_\_**

**Answer:** B) Boston Tea Party

During the Boston Tea Party, colonists protested unfair rules by throwing tea into the water.

**4. If you wanted to help the Continental Army like Sybil Ludington did, what would you use to get a message to neighbors quickly?**

**Answer:** B) A fast horse

In the 1700s, horses were the fastest way to travel and deliver news to other towns.

**5. A 'Minuteman' was a soldier who promised to be ready to help in just one minute.**

**Answer:** A) True

True! Minutemen were regular people who stayed ready to protect their homes very quickly.

**6. The famous bell that rang to celebrate freedom in Philadelphia is called the \_\_\_\_ Bell.**

**Name:** \_\_\_\_\_ **Date:** \_\_\_\_\_

**Answer:** C) Liberty

The Liberty Bell became a symbol of the American colonies gaining their independence.

**7. The colonists wore blue coats and the British wore red coats. Why is it helpful for a team to wear the same color?**

**Answer:** B) To know who is on your side

Uniform colors helped soldiers identify their friends and teammates during the confusion of battle.

**8. The 13 colonies were originally part of a country called France.**

**Answer:** B) False

False. The colonies were originally part of Great Britain before they became the United States.

**9. Benjamin Franklin was a famous inventor who helped the colonies. He is often shown wearing \_\_\_\_\_**

**Answer:** B) Glasses

Benjamin Franklin invented a special type of glasses called bifocals.

**10. What does 'Independence' mean for the people in the colonies?**

**Answer:** B) Making their own choices and rules

Independence means having the freedom to govern yourself and make your own decisions.
