

Name: \_\_\_\_\_ Date: \_\_\_\_\_

## Answer Key: A Squirrel's Guide to Acorn Secrets: Kindergarten Cybersecurity Quiz

Young learners practice identifying trusted adults and keeping personal 'secrets' safe during this interactive introductory lesson on digital citizenship.

---

**1. If a pop-up on a tablet asks for your name, what should you do?**

**Answer:** B) Ask a grown-up for help

Safety helpers like parents or teachers help us decide what is safe to share online.

**2. It is okay to tell a stranger on a game your home address.**

**Answer:** B) False

Your address is private information that should only be known by your family and trusted adults.

**3. Who is a 'Safety Helper' you can talk to about the internet?**

**Answer:** C) Your Teacher

Teachers are trusted adults who know how to keep you safe when using classroom technology.

**4. A \_\_\_\_ is a secret code that keeps your iPad or tablet safe.**

**Answer:** B) Password

Passwords act like a digital key that only you and your parents should know.

**5. If you see a scary video while playing a game, you should:**

**Answer:** A) Turn off the screen and tell a grown-up

Telling a grown-up right away helps them make sure the device is safe for you to use.

**6. You should ask permission before using a computer or phone.**

**Answer:** A) True

**Name:** \_\_\_\_\_ **Date:** \_\_\_\_\_

Asking permission ensures an adult knows you are online and can help guide you.

**7. Taking a \_\_\_\_ from the screen helps your eyes and body stay healthy.**

**Answer:** C) Break

Safe online behavior includes knowing when to stop playing and do other activities.

**8. What is something you should keep private (secret) from people online?**

**Answer:** C) Your school's name

Information like where you go to school should only be shared with people you know in real life.

**9. People you meet on the internet are always who they say they are.**

**Answer:** B) False

Since we can't see people online, we must be careful because they might be pretending.

**10. Always be \_\_\_\_ to others when you send messages or play online games.**

**Answer:** B) Kind

Being a good digital citizen means using kind words, just like we do on the playground.
