

Name: _____ Date: _____

Answer Key: Preschool Storytime Stars Acting Quiz

Foundational skills for identifying characters and feelings to help young learners start their journey into theater and storytelling.

1. In a play, who are the people or animals that tell the story?

Answer: B) The Characters

Characters are the people or animals who talk and act in a play.

2. True or False: Characters can feel happy or sad in a story.

Answer: A) True

Just like us, characters have feelings that help us understand the story.

3. When an actor wears a special outfit to look like a king or a bear, it is called a ____.

Answer: C) Costume

Costumes are the special clothes actors wear to pretend to be someone else.

4. If a character is smiling and dancing, how are they feeling?

Answer: C) Happy

Smiling and dancing are ways a character shows they are happy.

5. True or False: Only humans can be characters in a play.

Answer: B) False

Animals, puppets, and even objects can be characters in theater.

6. The place where the story happens, like a forest or a castle, is the ____.

Answer: A) Setting

The setting tells us 'where' the characters are located.

Name: _____ **Date:** _____

7. What do we call the big raised floor where actors perform?

Answer: B) A Stage

The stage is the special place used for acting out plays.

8. True or False: Actors use their voices to talk for their characters.

Answer: A) True

Voices help characters speak and tell the audience what is happening.

9. If the three little pigs are running from a wolf, the story has a ____.

Answer: C) Problem

A problem is something the characters need to fix or get away from.

10. At the very end of a play, what do the actors usually do?

Answer: A) Take a Bow

Actors take a bow at the end to show they are finished and say thank you.
