Name: _____   Date: _____

Answer Key: Amazing Leaders: A High-Five for Global Helpers Kindergarten Quiz

Identifying roles, community helper symbols, and group decision-making—foundational steps toward understanding how different neighborhoods choose their leaders.

---

1. In a big group, what is the loudest way we show we all agree on a new rule?

Answer: C) Voting with a show of hands

> Voting by raising our hands is a common way for groups to make a fair choice together.

2. True or False: Every country in the whole world has the exact same leader.

Answer: B) False

> Different places have different leaders, like Kings, Queens, or Presidents.

3. A leader who wears a shiny crown and lives in a palace is often called a ___.

Answer: B) Queen

> In some countries, a Queen is a special leader who represents her people.

4. Which of these is a job a leader does for their country?

Answer: B) Making helpful rules

> Leaders help keep people safe and organized by making rules or laws.

5. True or False: Some leaders are chosen because people voted for them.

Answer: A) True

> In many places, people get to pick their leader by voting.

6. In a classroom, the ___ is the leader who helps students learn.

Answer: C) Teacher

Just like a country has a leader, a classroom has a teacher to guide the group.

7. What might a leader use to show which country they belong to?

Answer: A) A colorful flag

Different countries use unique flags as a symbol for their people and leaders.

8. True or False: All leaders in the world are men.

Answer: B) False

Both men and women can be great leaders in different countries.

9. A person who is part of a country and follows its rules is a ____.

Answer: C) Citizen

A citizen is a member of a community or country who works with their leader.

10. If two countries have different rules, does that mean one is 'wrong'?

Answer: B) No, countries can have different ways of doing things

Comparative government teaches us that different places have their own special rules and systems.
