Spot your favorite snacks, toys, and characters while learning how everyday things become famous trends in your world.

---

**1. If lots of people start wearing the same cool new superhero hat, what is that called?**

**Answer:** B) A trend

A trend is something that many people like, do, or wear at the same time.

**2. True or False: Only grown-ups can create popular things like dances or songs.**

**Answer:** B) False

Kids often create trends too, like playground games or new ways to use toys.

**3. Bluey and Bingo are characters on a TV show. These characters are part of popular \_\_\_\_.**

**Answer:** B) Culture

Pop culture includes the TV shows, movies, and toys that many people know and love.

**4. Why might a toy like a 'Squishmallows' plushie become very popular?**

**Answer:** C) Because they are soft and many people share photos of them

Items become popular when they are fun to use and people talk about them with friends.

**5. True or False: Seeing a 'Golden Arches' sign and knowing it means McDonald's is a way of understanding a symbol.**

**Answer:** A) True

Symbols are pictures or signs that stand for something else, like a brand or a place.

**6. When a new movie comes out and everyone wears shirts with the main character, they are showing they are \_\_\_\_.**

**Answer:** C) Fans

**Name:** \_\_\_\_\_ **Date:** \_\_\_\_\_

Fans are people who really like a specific part of pop culture, like a movie or a singer.

**7. Which of these is an example of something that is part of pop culture right now?**

**Answer:** A) A video game many kids play

Video games are a huge part of pop culture because they are shared entertainment.

**8. A story told through pictures in a book is called a \_\_\_\_ book.**

**Answer:** B) Comic

Comic books are a classic part of pop culture that use art to tell stories.

**9. True or False: Trends stay the same forever and never change.**

**Answer:** B) False

Pop culture changes all the time! New things become popular while old things go away.

**10. If you see a picture of a mouse with big round ears, who do most people think of?**

**Answer:** B) Mickey Mouse

Identifying a character by just their shape is part of analyzing famous symbols.
