## Answer Key: Score a Goal: Pre-K Team Sports Adventure Quiz

Gross motor skills, cooperation, and boundary recognition — building foundational social coordination through interactive play.

**1. When we play a game with our friends and work together, we are a \_\_\_\_.**

**Answer:** A) Team

A team is a group of people who play together to reach a goal.

**2. Is it okay to push our friends when we play sports?**

**Answer:** B) False

We use 'gentle hands' and follow safety rules to make sure everyone stays happy and safe.

**3. In a game of T-ball, we use a \_\_\_ to hit the ball.**

**Answer:** B) Bat

A bat is the special tool used to hit the ball off the tee in T-ball.

**4. What do we do when our friend scores a point or does a good job?**

**Answer:** C) Cheer and clap

Cheering for our teammates shows good sportsmanship and makes them feel good.

**5. Rules are like 'promises' we keep so the game is fair for everyone.**

**Answer:** A) True

Rules help everyone know what to do so the game stays fun and fair.

**6. When we play 'Duck, Duck, Goose,' we move by \_\_\_ around the circle.**

**Answer:** A) Running

We use our legs to run fast when we are the 'Goose'!

**7. Which body part do we use to kick a ball in a soccer game?**

**Answer:** C) Our feet

Soccer is a fun game where we use our feet to move the ball into the net.

**8. When the teacher blows the whistle, that means we should keep running as fast as we can.**

**Answer:** B) False

The whistle is a signal to stop, look, and listen to the coach or teacher.

**9. In a relay race, we \_\_\_ the beanbag to our friend so it is their turn.**

**Answer:** C) Pass

Passing is how we share the turn with our teammates in a race.

**10. Why do we wear helmets when we ride trikes or play some sports?**

**Answer:** B) To keep our heads safe

Safety gear like helmets protects our bodies while we play hard.
