

Name: _____ Date: _____

Answer Key: Nail the Play: 2nd Grade Good Sport Quiz

Learners build emotional intelligence by identifying positive behaviors like cheering for others and following playground rules during team games.

1. Your friend falls down while you are playing tag. What is the best thing to do?

Answer: B) Stop and ask if they are okay

Being a good sport means caring about your friends more than winning the game.

2. It is okay to yell at the gym teacher if you think they made a mistake.

Answer: B) False

Respecting officials and teachers means staying calm even when you disagree with a call.

3. When the game is over, we say '____ game' to the other team.

Answer: C) Good

Saying 'Good game' shows respect for the effort the other players put in.

4. What is 'Fair Play'?

Answer: B) Following the rules and being honest

Fair play means everyone follows the same rules so the game is fun and honest.

5. A good sport cheers for their teammates even when they miss the ball.

Answer: A) True

Encouraging others helps everyone feel confident and happy while playing.

6. If you lose a game, you should keep a ____ on your face.

Answer: C) Smile

Being a 'good loser' means being happy for the winners and staying positive.

Name: _____ **Date:** _____

7. You are playing Four Square and the ball touches the line. What should you do?

Answer: A) Be honest about what happened

Honesty is a key part of sportsmanship, even when it means you might be 'out'.

8. Winning is the only thing that matters in sports.

Answer: B) False

Having fun, getting exercise, and making friends are more important than winning.

9. Talking nicely to your teammates is called being a good ____.

Answer: B) Teammate

Good teammates use kind words to help their team work together.

10. What should you do if you win a race?

Answer: C) Be humble and say 'Thank you'

Being humble means being a 'good winner' without bragging or hurting others' feelings.
