

Name: _____

Date: _____

Answer Key: Who Wins the Game? 3rd Grade Team Sports Logic Quiz

Students will apply basic recall of sportsmanship and game structure to identify positive teamwork behaviors and fundamental field rules.

1. In a game of kickball, what is the best way to show good sportsmanship after the other team scores a run?

Answer: C) Cheer for your teammates and keep trying your best.

Staying positive and encouraging your team is a key part of teamwork and sportsmanship.

2. True or False: In a team sport, every player must follow the same set of rules to keep the game fair.

Answer: A) True

Rules are the official guidelines that ensure every participant plays fairly and safely.

3. When a teammate is running toward the goal and you pass them the ball, you are practicing the skill of _____.

Answer: B) Cooperation

Cooperation means working together with your teammates to reach a common goal.

4. Which of these is a 'defensive' action during a game of tag or capture the flag?

Answer: B) Guarding your base so the other team cannot reach it.

Defense involves protecting your area or goal from the opposing team's moves.

5. True or False: Keeping your eyes on the ball is an important physical skill for catching and hitting.

Answer: A) True

Visual tracking is a fundamental skill needed to coordinate movement with the ball's location.

6. Before a game starts, teams often gather in a small circle called a _____ to talk about their plan.

Answer: B) Huddle

Name: _____

Date: _____

A huddle is a strategy used for communication and planning between plays.

7. If the referee blows the whistle to stop play, what should a 3rd grade student do immediately?

Answer: C) Stop moving and listen for instructions.

Following the referee's signal is a basic rule that maintains order and safety during a game.

8. True or False: Communication in sports only means using your voice to shout.

Answer: B) False

Communication also includes hand signals, eye contact, and body language.

9. In team sports, the main person who helps the team practice and learn new strategies is the _____.

Answer: C) Coach

The coach provides instruction and guidance to help players improve their skills.

10. What is the primary benefit of playing on a team instead of playing by yourself?

Answer: C) You can achieve more by working with others.

Teamwork allows groups to combine different strengths to reach a goal together.
