## Succession: The Junior Level Power Play of Adjectives

Differentiate between descriptive, quantitative, and demonstrative modifiers to craft the sophisticated prose required for college-level rhetorical analysis.

---

**1. In the sentence 'The former CEO's strategy was more effective than the current one,' which word functions as a demonstrative adjective indicating order?**

- A. Effective
- B. More
- C. Former
- D. Current

**2. True or False: In a high-stakes debate, using the word 'myriad' to describe a set of problems is an example of a quantitative adjective.**

- A. True
- B. False

**3. Identify the superlative adjective in the following sentence: 'Of all the candidates interviewed for the internship, Maya provided the most comprehensive portfolio.'**

- A. Interviewed
- B. Most comprehensive
- C. All
- D. Provided

**4. Which of the following adjectives is categorized as a descriptive adjective focusing on a 'somber' or 'serious' tone, often found in Gothic literature?**

- A. Sleek
- B. Abundant
- C. Melancholy
- D. Yonder

**5. Complete the sentence with the correct demonstrative adjective for a noun located at a distance: 'The architect gestured toward \_\_\_\_\_ jagged peaks on the horizon, noting they inspired the building's roofline.'**

- A. This
- B. These
- C. That
- D. Those

**6. True or False: In the phrase 'the latter option,' the word 'latter' acts as an adjective to distinguish between two previously mentioned items.**

Name: \_\_\_\_\_ Date: \_\_\_\_\_

- A. True
- B. False

**7. When an author writes about 'scant evidence' in a legal thriller, what type of adjective are they using?**

- A. Comparative
- B. Quantitative
- C. Superlative
- D. Descriptive

**8. Identify the comparative adjective in this sentence: 'The revised manuscript displays a much sharper focus than the initial draft.'**

- A. Revised
- B. Sharper
- C. Initial
- D. Much

**9. True or False: The word 'radiant' in the phrase 'radiant energy' is a quantitative adjective.**

- A. True
- B. False

**10. In the sentence 'Neither path led to the desired outcome,' the word 'Neither' functions as what type of adjective?**

- A. Descriptive
- B. Quantitative
- C. Demonstrative
- D. Superlative
