## Full-Court Press: 4th Grade Team Sport Tactics Quiz

Evaluate 10 complex scenarios regarding strategic gameplay, offensive spatial awareness, and the underlying physics of ball control in high-level team sports.

---

**1. In a game of Ultimate Frisbee, the defense is using a 'Cup' zone. What is the primary tactical goal of the three players forming the cup near the thrower?**

- A. To intercept long passes toward the end zone
- B. To trap the thrower and force a high-risk sideways or backward pass
- C. To prevent the thrower from running with the disc
- D. To allow the offense to score quickly so they can get the disc back

**2. In competitive Field Hockey, the 'Third-Man Run' is an offensive strategy where a player moves into open space to receive a pass while the defense is focused on two other active players.**

- A. True
- B. False

**3. In Water Polo, when an offensive player is temporarily 'excluded' for a foul, the remaining team must use a \_\_\_ strategy to cover the numerical disadvantage.**

- A. Full-court press
- B. Man-up offense
- C. Staggered zone defense
- D. No-huddle offense

**4. Analyze the impact of 'Spreading the Field' in Lacrosse. Why do coaches insist that offensive players stay far apart rather than crowding the goal?**

- A. To make it easier for the goalie to see the ball
- B. To ensure players don't run into their own teammates
- C. To force defenders to move away from the 'crease,' creating lanes for attackers
- D. To help the referee see fouls more clearly

**5. In Handball, a 'fast break' is only effective if the goalkeeper is the one who initiates the play with a long, accurate throw.**

- A. True
- B. False

**6. To successfully execute a 'Bunt' in Baseball to move a runner from first to second base, the batter prioritizes \_\_\_ over power.**

- A. Swing speed
- B. Directional control
- C. Launch angle

Name: \_\_\_\_\_ Date: \_\_\_\_\_

D. Follow-through

**7. In Rugby, what is the primary purpose of a 'Ruck' during gameplay?**

- A. To celebrate a successful try
- B. To allow the kicker to reset the ball for a penalty
- C. To secure possession of the ball after a player has been tackled to the ground
- D. To stop the clock for a commercial break

**8. In Cricket, the strategy of 'Sledging' refers to the physical act of running between the wickets to score a point.**

- A. True
- B. False

**9. When a Soccer team uses a 'High Line' defensive formation, they are trying to trigger the \_\_\_ rule for the opposing attackers.**

- A. Out of bounds
- B. Offside
- C. Corner kick
- D. Penalty stroke

**10. Evaluate the role of 'Communication' in a Volleyball 'Transition'. What must the Libero communicate to the attackers immediately after a dig?**

- A. The current score of the game
- B. The location of the ball and which hitter should take the approach
- C. What they plan to eat after the match
- D. How many timeouts the team has left
