Answer Key: Sun-Warmed Hugs: Kindergarten Fair Play Quiz

Foundational practice identifying kind choices, sharing gear, and cheering for others during physical play and recess.

1. The soccer ball goes out of bounds. What is a helpful thing to do?

Answer: C) Get the ball and give it to the other team

Being helpful and returning the ball shows kindness and keeps the game moving fairly for everyone.

2. If your friend wins a race, it is nice to say 'Good job!' to them.

Answer: A) True

Cheering for others when they do well helps everyone feel happy and safe while playing.

3. When we play a game, we should always follow the ____.

Answer: B) Rules

Rules are the instructions that make sure games are fair for every person playing.

4. Your friend falls down while playing tag. What should you do?

Answer: B) Stop and ask if they are okay

Safety and kindness are more important than winning a game of tag.

5. It is okay to get very angry and scream if you lose a game.

Answer: B) False

It is normal to feel sad, but we should stay calm and be a good sport even when we don't win.

6. Taking ____ means letting everyone have a chance to use the jump rope.

Answer: A) Turns

Taking turns ensures that everyone gets to participate and have fun during recess.

7. What is the best way to use the hula hoops with your classmates?

Answer: B) Share the hoops with your friends

Sharing toys and equipment is a big part of being a teammate and a good friend.

8. A good sport is ____ to their teammates and the other team.

Answer: C) Kind

Kindness is the most important part of sportsmanship, no matter who wins the game.

9. When the teacher says 'Time to clean up!', a good sport helps put the equipment away.

Answer: A) True

Helping clean up shows respect for the equipment and for the teacher.

10. If someone makes a mistake in a game, what should you say?

Answer: C) It's okay, try again!

Encouraging your friends to keep trying helps everyone get better and enjoy the game.
